Extracurricular Activities

Table Tennis (2013 – 2019)

It had been a key aspect of my personal development, fostering qualities like discipline, perseverance, and sportsmanship. Through regular practice and participation in tournaments, I've honed skills in technique, strategy, and mental resilience. Collaboration with teammates and coaches has also strengthened my communication and teamwork abilities.

Swimming (2012 – 2014)

As an active member of the swimming squad, I engaged in a dynamic extra-curricular activity that not only promoted physical fitness but also cultivated valuable life skills and personal growth.
